INTERVIEW SUMMARY STATEMENT

Sir:

The applicant's undersigned attorney has reviewed the Examiner's Interview Summary Statement regarding the personal interview of August 11, 2004, and acknowledges that it is a full and adequate summary of such interview because the allegedly closest prior art (the cited Ibrahim reference) teaches, among other differences, a concentration range of 1 to 5 mg/mL and no more. In addition, Ibrahim does not teach the recited solvents in Claim 1.
